

THE TARGUS NOTEPAC

The Targus Notepac Case is specifically designed for notebook style computers and related accessories. The Notepac has a fully padded computer section that measures 14" x 11" x 2.5". A fully adjustable padded divider separates the computer from a power supply, A.C. adapter, cables, and external keyboards or modems. The Notepac also includes a workstation area that features disk pockets, pen and business card holders and a file/document pocket. An external

gusseted pocket that measures 13" x 9" x 2" is perfect for accessory and miscellaneous items. Other features include a detachable shoulder strap, dual self-correcting nylon zippers and shock absorbing rubber feet.
