

Product Specification Sheet

Targus 15.4" Corporate Traveler Vertical Roller

Part #: CUCT02R

Product Description:

The Targus Corporate Traveler Vertical Roller is designed to fit notebooks with up to 15.4" screens. This case includes the patented SafePort® Air Cushion System which features adjustable cushions inside of the case to protect your notebook from drop damage while providing a snug fit for smaller sized notebooks. Weighing just 6.44 pounds, the Corporate Traveler Vertical Roller includes a zip-down workstation with business card holder, three pen loops, key clip, multiple accessory compartments, five scratch resistant CD/DVD sleeves and a zippered mesh pocket for additional storage. A separate file section to keep documents organized during travel while the two removable accessory pouches provide added storage for a power adapter, cords and more. Constructed of durable ballistic nylon, this case is built to withstand the wear and tear of everyday business travel.

Product Features and Specifications:

- **Screen Size** - Designed to fit notebooks with up to 15.4" screens
- **Protection** - Features the patented SafePort® Air Cushion System to provide maximum notebook protection
- **Organization** – Features a zip-down workstation with business card holder, three pen loops, key clip, multiple accessory compartments and a unique divided section that includes five scratch resistant CD/DVD sleeves, a zippered mesh pocket and two removable accessory pouches. Also features a separate file section to store documents while on the go
- **Ergonomics** – Includes leather wrapped nylon handles for added comfort and a padded ergonomic shoulder strap with nonslipcoating on the pad to keep the strap in place on your shoulder. The curved 41" dual trolley handle is designed for equalweight distribution to help prevent strain and to ensure that users don't kick the case while walking
- **Material** - Constructed of durable ballistic 1680 denier nylon
